MAY 2–4, 2019

Advanced Course in Cytoreductive Surgery for Ovarian Cancer and Peritoneal Surface Malignancies:
Radical Pelvic and Upper Abdominal Procedure with Cadaver Dissection

Surf & Sand Resort
1555 South Coast Highway, Laguna Beach, CA 92651
www.ovariancancer.uci.edu/cytoreductive-cme
2019 Course Director

Robert E. Bristow, MD, MBA
Chair, Department of Obstetrics and Gynecology
The Philip J. DiSaia Chair in Gynecologic Oncology
UCI School of Medicine

Guest Faculty

Ahmed N. Al-Niaimi, MD
University of Wisconsin School of Medicine and Public Health
Madison, WI

Robert E. Bristow, MD, MBA
Chair, Department of Obstetrics and Gynecology
The Philip J. DiSaia Chair in Gynecologic Oncology
UCI School of Medicine

Dennis S. Chi, MD
Memorial Sloan Kettering Cancer Center,
New York City, NY

UCI Health Faculty

Krishnansu S. Tewari, MD
Professor, Division of Gynecologic Oncology
Interim Director
Division of Gynecologic Oncology
Department of Obstetrics and Gynecology
UCI School of Medicine

William A. Cliby, MD
Mayo Clinic,
Rochester, MN

Leslie M. Randall, MD
Associate Professor, Division of Gynecologic Oncology
Department of Obstetrics and Gynecology
UCI School of Medicine

Marcela G. del Carmen, MD, MPH
Harvard Medical School and Massachusetts General Hospital,
Boston, MA

Fabio Cappuccini, MD
Clinical Professor
Department of Obstetrics and Gynecology
UCI School of Medicine

Ramez N. Eskander, MD
University of California, San Diego,
San Diego, CA

Jill Tseng, MD
Assistant Professor, Division of Gynecologic Oncology
Department of Obstetrics and Gynecology
UCI School of Medicine

Christina Fotopoulou, MD, PhD
Imperial College of London Healthcare NHS Trust, Queen Charlotte’s and Chelsea Hospital,
London, United Kingdom

David K. Imagawa, MD, PhD
Chief, Division of Hepatobiliary and Pancreas Surgery and Islet Cell Transplantation
Professor, Clinical Surgery and Pathology
Department of Surgery
UCI School of Medicine

C. William Helm, MBBCh
Northern Gynaecological Oncology Centre,
Newcastle upon Tyne, United Kingdom

Zeljka Jutric, MD
Assistant Professor -- Department of Surgery,
Division of Hepatobiliary and Pancreas Surgery and Islet Cell Transplantation
UCI School of Medicine

Oliver Zivanovic, MD, PhD
Memorial Sloan Kettering Cancer Center,
New York City, NY

Ronald F. Wolf, MD
Professor, Department of Surgery, Division of Hepatobiliary and Pancreas Surgery
UCI School of Medicine

Jula Veerapong, MD
University of California, San Diego,
San Diego, CA
Advanced Course in Cytoreductive Surgery for Ovarian Cancer and Peritoneal Surface Malignancies: Radical Pelvic and Upper Abdominal Procedure with Cadaver Dissection

**Purpose of the Course**
The thoroughness of cytoreductive surgery is a primary contributor to survival for patients with advanced ovarian and primary peritoneal carcinoma. This program is designed to provide information through formal lectures, panel discussions and cadaver dissection about clinical applications of advanced cytoreductive surgery for ovarian cancer and related gynecologic peritoneal surface malignancies.

**Target Audience**
This activity is designed for physicians and surgeons who practice the specialty of gynecologic oncology and surgical oncology.

**Learning Objectives**
After completing the learning activity, the participant should be able to:
- Describe the prognostic impact of minimal residual disease achievable through advanced cytoreductive surgical procedures.
- Discuss the advantages, limitations and indications for advanced cytoreductive surgery in gynecological practice.
- Describe the critical steps in performing advanced cytoreductive surgical procedures in gynecology.

**Registration**
Registration for the course is available at www.ovariancancer.uci.edu/cytoreductive-cme
To ensure a spot in this course, early registration is strongly encouraged.

**Course Registration Fees**
Physicians and Surgeons — $1,950
Fellows and Residents — $1,450

Registration fees include both days of the conference, the evening reception, continental breakfast, lunch and CME certificate.
For more information, contact Jenille Powers at 714-456-5968 or japowers@uci.edu

**Accommodations**
Surf & Sand Resort
1555 South Coast Highway, Laguna Beach, CA 92651
800-837-9230 | www.surfandsandresort.com

Special discounted hotel room rates on the beach will be available for early booking as space is limited. We recommend making travel arrangements early. A room rate of $295 a night is guaranteed for conference attendees through March 15, 2019. Contact the hotel directly for reservations at 800-837-9230.
Be sure to state that you are attending the UC Irvine Health course in Cytoreductive Surgery. All attendees are responsible for their own reservations. The standard hotel individual reservation cancellation policy will apply.

**Accreditation Statement**
The University of California, Irvine School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

**Designation Statement**
The University of California, Irvine School of Medicine designates this live activity of a maximum of 15.75 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**Disclosure Statement**
It is the policy for the University of California, Irvine School of Medicine and University of California CME consortium to ensure balance, independence, objectivity and scientific rigor in all CME activities. Full disclosure or conflict and resolution will be made in writing via handout materials of syllabus.

**California Assembly Bill 1195**
This activity is in compliance with California Assembly Bill 1195 which requires continuing medical education activities with patient care components to include curriculum in the subjects of cultural and linguistic competency. For specific information regarding Bill 1195 and definitions of cultural and linguistic competency, please visit the CME website at www.meded.uci.edu/CME.

**ADA Statement**
In compliance with the Americans with Disabilities Act, we will make every reasonable effort to accommodate your needs. For any special requests, please contact Jenille Powers at 714-456-5968 or japowers@uci.edu on or before March 15, 2019.
